

Eby FAMILY DENTAL

920-563-2928 • 1100 Madison Ave, Fort Atkinson, WI 53538

I would like to thank the community for their vote of confidence in our office.

Also, to help the community we began taking Forward, the State insurance. I feel that our community will need this as unemployment has risen and people going back to work maybe slower. We are here for the community, wanting to help keep Jefferson County with healthy teeth and great smiles.
